><p>My dad!

I'm Rikki Chadwick, a sexy young woman with a secret mermaid-life.

Today I'm not gonna talk about Zane or my friends Cleo and Emma. This time I'm gonna talk about my dad.

He's important to me even though it doesn't seem that way.

Yeah, he wasn't always there for me when I was a little kid, but since I became a teenager and a young woman he's always been there for me.

My famous Rikki-ego and the sarcasm, I got that from my dad. He's like that too.

My dad's okey with the fact that I love to have sex and drink beer. I'm so happy for that. I would be so mad if dad wouldn't let me drink and have sex.

Even if my dad may seem like an angry macho-freak to most people he's in no way evil. I love him and I don't want any other man as my dad than him.

When I come home late in the middle of the night after I've had sex

with Zane my dad doesn't scream at me. All he says is "Rikki, darling. Did you have great sex tonight?".

Every time my answer is "Of course, dad."

Most people are actually afraid of my dad. Okey, he can get really angry every now and then, but hey, so can I.

That's the way my dad and I are.

There's nothing wrong with that.

Dad and I are very similar. We both love to drink and have sex. We both kick people's ass when we need to and we are strong, confident and not shy about our sexuality.

My dad has always been nice to me. He gave me my first bottle of beer when I was only 12 years old. Okey, I threw up. Still it was pretty cool.

On my 14th birthday he gave me my first porn-magazine and he told be about sex and kinky, dirty things.

My dad is one of the two most important men in my life. The other one's Zane, of course.
